All applicants are required to submit at least seven (7) color photographs of the following: (1) of your booth with product in it, (1) of your work area, (1) of you working in that area with product you are bringing, and at least (4) close-ups of your work, as all will be used by the jurors. **Photos must be labeled with your name on back. Please do not send a USB or a CD – only printed photos.** Acceptance notifications will be mailed by the 4th week of May.
